For Federal Income Tax purposes, the amount of the charitable contribution which may be deducted is limited to the excess of any money (or the value of any property) contributed over the value of the goods or services received from this charity. FIU Foundation is a 501c3.
About the Forensic Science Symposium at FIU

In May 2018, the 7th annual Forensic Science Symposium was held at FIU at the Modesto Maidique Campus, bringing together forensic and laboratory professionals from Florida law enforcement agencies as well as students and academic researchers. They focused on two days of scientific talks and events to share knowledge and cutting edge research and tools as well as timely topics such as synthetic opioids, rapid DNA, and probabilistic genotyping.

In an era of rapidly changing technologies, increasing caseloads and tight budgets, events of this type are critical for the forensic science community to share knowledge and practice improvements. FIU has determined forensic science to be a focus area for the University, naming the new preeminent Global Forensic and Justice Center to highlight and concentrate on this critical work.

2018 Event Fast Facts

- More than 190 attendees, a new record for the event and included attendees from Broward County Sheriff’s Office Crime Laboratory, DEA, DOJ, FBI, Pinellas County Forensic Laboratory
- 14 student and professional posters presented
- Sessions provided free continuing education opportunities and credits for attending professionals

Goals for the 2019 event include

- Expanding reach to Central American participants
- 250+ attendees
- Timely topics such as DNA, digital forensics and accreditation standards
- Hosting the poster session on-site and virtually through social media to expand reach

Benefits of Forensic Science Symposium sponsorship

- Reach forensic and laboratory professionals from across Florida and beyond
- Show your support of education to future forensic leaders
- Be part of the fastest growing symposium in the Southeast

We are grateful for the past support of the forensic industry in the past, and invite you to participate as a sponsor in this exciting and growing event.

Contact us today to see how your program can benefit from sponsorship.
